LIFE BUS

The Life Bus will be in our playground from Monday to Thursday. For those of you who don't know, we buy this resource each year to support the teaching of PSHE and citizenship. All years groups from Nursery to Year 6 will experience a session in this mobile classroom (or in classrooms for Y5 and Y6) and skilled specialists will deliver age appropriate sessions to each class. The timetable and themes for each class are available on page 6 of the newsletter; and please note, there is a session available on Wednesday 2.45-3.00 pm for parents to attend to gain an idea of the sorts of ideas taught to the children.

CONGRATULATIONS

Congratulations to all those children who gained their 'Excellent Attendance Award' this week in assembly for attendance of over 98% for last term. There were 38 children in KS1 and 89 in KS2 who were at school on time for 98% or more time during Autumn 2017. Very well done to you all – and keep it up! (See names at end of newsletter)

PAPER RE-CYCLING

Our School Councillors spoke in assemblies this week to re-launch our scheme for re-cycling paper in our classrooms. Thank you to them all for their work in this area; and we look forward to reducing our general waste and increasing our re-cycling across the school.

ATTENDANCE

08/01/2018 – 12/01/2018

The overall figure for the school for last week was **94%** which is **below** our target of **96%**

The best two classes last week were:

Best attendance in KS2 for last week was:

Attendance is a little improved this week but I re-iterate, please ensure that your child is at school on time EVERY day. If your child is ill, please inform the office ASAP. Thank you.

CONGRATULATIONS

Illustrations drawn by Yusef Isse (Y6) and Margot Smart (Y1) were chosen this year to be in the RBKC Road Safety Calendar. They will be going to the Town Hall next week for a celebration event and we are very proud. Very well done to you both!
