News from the schools

Summer Fair

Thank you for your support of our fair today. It was a really happy occasion. Thank you to everyone for attending and for your contributions but a special thank you to the following people: Rebecca, Kay K and the Admin Team, Kay W, Mandy, Sonia, Tina, Pam Busby (who has been working really hard for a couple of weeks as honorary summer fair admin officer!), Pete and all our staff for giving up their time.

The full list of Raffle Ticket winners will be in the school office and we will let you know how much money we raised next week.

A huge thank you also to all our wonderful parents and families for their gifts and messages for Danielle and I. Thank you to Sarah for organising everything and thank you to you all for the flowers, books of messages and the amazing cakes baked by Saima De Freitas. We were overwhelmed by your kindness and love and I am sure we will both enjoy taking time to read through all the messages.

Avondale Park School

Year 6 Learning

Year 6's current IPC project 'Climate Control' ended this week. For their Exit Point, they invited Year 3 to complete some climate themed activities which they had designed and made themselves. These involved: a word search, a matching activity, a spot the difference challenge and a climate quiz. It was great fun, there was a lovely atmosphere in the classrooms and Year 6 really enjoyed sharing their learning with the year 3 children.
