## News and Reminders

### CONGRATULATIONS

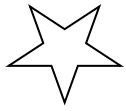

There are two reasons to be proud this week:  
**1. Connor's class** performed an excellent assembly on Thursday. I was sad to miss it on the day, but lucky enough to have had my own special performance on Wednesday. I was impressed with the tips to create suspense in writing – and I really enjoyed learning about different aspects of Japan in the project 'Different Places Similar Lives 'Finally the song about Avondale to the tune of the Pokémon theme tune was so memorable I have asked for a copy! Thank you and really well done to you all!

**Our Year 5 Football Team** have excelled themselves this week! We are thrilled to learn that they qualified for the RBKC football finals on 3<sup>rd</sup> April. During the tournament, they played eight games and won all eight. They scored 35 goals and conceded only four; and their manager and co-manager – Matt and Alison – are extremely proud of their hard work and teamwork. As are we all! Congratulations to everyone- and keep up the training and the focus all the way to the final!

### SRE EDUCATION

I understand that there has been discussion among parents re the proposed changes to the curriculum for SRE (sex and relationships education.) The proposed curriculum is still under consultation and if it becomes statutory, it will not be in place until September 2020.

Therefore, our curriculum for SRE will **not** be changing at all this academic year. When we have our focus week in the summer term, we will let parents know; and there will be the option to withdraw your child from the lesson if requested. When we know more about the new SRE curriculum, we will hold a meeting for parents about any changes that we may need to make for 2020.
