News and Reminders

SCHOOL UNIFORM

May I remind parents that we expect all children from Reception – Year 6 to wear the correct uniform **every day**? All children should be wearing leather school shoes and bring trainers for PE. Girls should wear grey or black plain tights or socks
Anything worn in their hair should be black or burgundy and I ask that bows are small and not sparkly or fluffy! Thank you for your support.

PLAYCENTRE DURING HALF TERM: 21ST – 25TH OCTOBER 2019

There will be a playcentre here run by P3 for children Y1 – age 13 during Half Term Week; and pre-registration is Friday 11 October from 4pm to 6pm and Saturday 12 October from 1pm to 5pm at Rugby Portobello Trust 221 Walmer Road W11 4EY

The cost will be £11.50 per child per day for the core day **9am to 5pm** and breakfast club **8am to 9am** £1.50 per child per day including light breakfast snack, and extended day **5pm to 6pm** £1.00, the play centre is open for children ages 5, Year 1 to 13 years old. P3 would prefer you pay by card as they are trying to become cashless.

There is also an online booking system: <https://p3charity.magicbooking.org> You must **ACTIVATE** your account and fill in all fields correctly. Any problems please email paybookings@p3charity.org or for enquires call Linda Hamilton 07875724227.

CONGRATULATIONS

Russell's Y6 class performed an excellent assembly this week on their project 'Champions for Change' They spoke eloquently about the political parties they have created and what they might change in our school; they entertained us with an excellent play explaining the French Revolution and they also re-wrote the famous speech by a renowned champion for change – Martin Luther King. The children's speeches were thoughtful and heartfelt and the whole assembly left us moved. A huge well done to you all.

ATTENDANCE

30th Sept – 4th Oct

The overall figure for last week was **94.1%**.

The classes in each Key Stage with the best attendance were:

Phoebe's Year 2 – 95%

Mary & Tim's Year 6 – 99.2%

Congratulations to both classes.

OTHER ACTIVITIES DURING HALF TERM HOLIDAY

We have received information about the following activities available during Half Term Week:

- Science Workshops at The Invention Rooms, White City (see attached flyer)
- Cosmic Workshops and Black History Month Activities at Maxilla Studios (see attached flyers)

Stars of the Week 20th Sept – 4th Oct

A huge well done to you all!

Nursery	WILLOW CLASS. You have all made some delicious healthy bread which you have very kindly shared with your friends and all the adults. You learnt about mixing different ingredients and following instructions. Well done everyone!
Stephanie's Reception	MASON- For settling in so well in Reception and for following our classroom promises.
<u>Kripali's Reception</u>	FREYA- For being an excellent role model and following our classroom promises all the time! You are always eager to complete tasks and enjoy helping others. Keep it up!
<u>Alexa's Year 1</u>	HANNA- For AMAZING maths learning this week! You are trying so hard.
<u>Laura's Year 1</u>	WALID- For being so focused and participating enthusiastically with lots of ideas during class discussions this week – keep it up!
<u>Katie's Year 2</u>	STANLEY- For doing amazing work in his Maths this week!
<u>Phoebe's Year 2</u>	QAIS- For showing enthusiasm and positivity in his maths learning and spreading joy with his infectious smile!
<u>Pippa's Year 3</u>	HARLEY- For always showing total commitment to your work and our school values. Your enthusiasm and desire for learning are seen in class and your work every day.
<u>Connor's Year 3</u>	ZURIELL- For his role model behaviour and excellent manners, he is always focused and working hard. Keep up the good work.
<u>Emma's Year 4</u>	HAMZA- For showing super focus, listening and being an active part in our learning discussions. You always try your best in every lesson. Keep it up!
<u>Daisy's Year 4</u>	THE WHOLE CLASS– For being enthusiastic, clear and professional during their rehearsals resulting in an amazing assembly!
<u>Julia's Year 5</u>	MARYAM ZAHRAMAN- For excellent learning across all subjects! You are a fountain of knowledge and it is a pleasure to teach you.
<u>Francesca's Year 5</u>	HANAN- For your creative and exciting myth writing. Well done.
<u>Tim/Mary's Year 6</u>	LEMIS- For your calm, polite, focused attitude.
<u>Russell's Year 6</u>	SONIA- For all of your hard work in English this week. We have thoroughly enjoyed reading your autobiography.

"IN IT TO WIN IT" ATTENDANCE AND PUNCTUALITY AWARD
THE WINNER FOR LAST WEEK
Amelia Kudaisi Year 6 Russell

Activities at the Invention Rooms, White City

21st -25th October 2019

Spooky Circuits - Family Workshop

Make some spooky lights with squishy circuits!

You will explore the amazing conductive powers of play dough and learn about electrical currents. By using different types of dough, you will be able to make and take an amazing 3D model that can light up and conduct electricity. Aimed at 5 – 11 years old, this family activity is open to residents living in the north of LBHF and North Kensington.

With googly eyes, teeth and Halloween colours, why not make the spookiest electric circuit you can?

When: Monday 21st October

Where: The Invention Rooms Café

Slots: 11.00, 12.00 and 14.00.

To register, click [here](#).

Make a Skeleton - Family Workshop

Bones might be spooky, but they are also useful too! You will explore anatomy and skeletons through live demonstrations before making your own model skeleton to take home. You'll discover how we use bones to move around and then consider how you might engineer these different features by making and taking home a model skeleton.

Aimed at 7 – 13 year olds, this family activity is open to residents living in the north of LBHF and North Kensington.

Join us to make your own Halloween prop whilst also learning about what goes on in our bodies!

When: Tuesday 22nd October

Where: The Invention Rooms Café

Slots: 11.00, 12.00 and 14.00.

To register, click [here](#).

Halloween Science Show

Join us as we explore spooky science in our first ever Halloween show that will explore a range of science areas through fun and interactive demonstrations. In this exciting science show at The Invention Rooms, you'll see exploding pumpkins, watch fire change colour, hear the story behind the inspiration for Frankenstein and find out how famous scientist Alessandro Volta first invented the battery.

Aimed at 7 – 13 years old, this family activity is open to residents living in the north of LBHF and North Kensington.

When: Tuesday 22nd October

Where: The Invention Rooms Café

Slots: 16.45 – 18.00

To register, click [here](#).

Curious Catalysts

From the food we eat to the air we breathe, we all rely on chemical reactions, but some of these reactions need a helping hand. This is where our researchers look to catalysts, materials that help reactions happen!

In this workshop you will learn about the basics of chemical bonds through some exciting demonstrations delivered by Imperial researcher Richard Kong, before learning more about Imperial's work developing new catalysts and why they are so important.

After picking the chemical reaction of your choice (perhaps turning carbon dioxide into diamonds or breaking down plastic) you will learn about the features of catalysts by making a catalyst monster. At the end of the workshop, we will look at real catalysts on the large screen and compare them to our own.

Aimed at 7 – 13 years old, this family activity is open to residents living in the north of LBHF and North Kensington.

When: Friday 25th October

Where: The Invention Rooms Café

Slots: 14.00 – 16.00

To register, click [here](#).

Please note, for all the above activities under 11s must be accompanied by adults. If your child or young person is over 11 but under 16 you must provide a contact number for their next of kin on the registration form.
